Colourful fabric or old clothes

2

String or binding (for your flags to hang from)

3

Needle and thread (you'll need a grown up for this bit)

4

Paper, pencil, scissors, pins, and an iron

### What to do:

1. Make a triangle shape from paper – this is your flag. Draw around it on fabric and cut out.
2. Cut a 2nd triangle the same size. Put them together and sew the 2 sides, leaving the top open.
3. Snip the point, turn it inside out, and gently poke the tip out.
4. Get them to iron it flat. Make as many as you like!
5. Fold the binding over the top of each flag and pin in place. Leave space between each one.
